V. TEXT / DESCRIPTION OF CHANGES	CBI	<input type="checkbox"/>
<p>Dear Jesse:</p> <p>We have reviewed the Agency's letter dated Mar 24, 2017, which outlines the regulatory options for PMN# P-16-0510, and we select Option 2. Attached please find the completed and signed Selection of Regulatory Option form.</p> <p>On Mar 17, 2017, we submitted additional safety test data to further support the PMN case. During the phone call we had on Mar 29, 2017, you confirmed that the submitted information had been received and EPA experts were in the process of reviewing such, and that they would also be looking into the analog we proposed as well as the risk assessment we conducted in the original PMN dossier. We are looking forward to receiving feedback and further instructions from EPA.</p> <p>To allow adequate time for this process to complete, we are also submitting a request to suspend the PMN review period until Jun 1, 2017.</p> <p>If you need to contact me about the PMN case, I can be reached at 732-203-8136 or xiao.huang@iff.com. Thank you for your time.</p> <p>Very truly yours,</p> <p>Xiao Huang, PhD, DABT Sr. Regulatory Toxicologist</p>
